

Darren:

We wish to let you know that we are very pleased with our "new" yard. We've had many compliments from neighbors and friends about how nice the brick patios and sidewalk turned out.

We appreciate you and your crew for doing such a professional job. You worked quickly and efficiently and the surrounding areas were cleared of debris each evening. We feel you were most willing to discuss changes and make helpful suggestions. We feel we received excellent value and we would certainly recommend your services to others.

Thank you.
